Culinary workshops

Economic workshops

Dietary workshops

saving food

Participants concerned of Operational Program Food Aid 2014-2020 take part in accompanying measures. These measures are aimed at strengthening their self-reliance and competitiveness concerning organizing domestic chores, in particular the measures include: culinary workshops for various age groups with participation of the culinary experts, the chefs, the nutritionists; these culinary workshops show, various possibilities of preparing and using foodstuff.

OPERATIONAL PROGRAM FOOD AID 2014-2020:

- dietary and healthy nutrition workshops
- educational programs aimed at propagating principles of healthy nutrition and reducing food waste
- economic education workshops (providing knowledge concerning domestic budget formulation, realization and control; fostering knowledge concerning economic domestic budget management including all financial and non-cash income including food donations).

**Additionally, each regional partner organization and local partner organization in cooperation with social welfare center will provide the final consumer of Operational Program Financial Aid with information about the places where people can benefit from measures of European Social Fund and can receive aid concerning taking advantage of such measures.**

Food Bank of Lublin became involved in Open Days of European Funds organised by Department of Regional Operational Program Management of Marshal Office in Lublin. The event "Slice of Bread - culinary inspirations Operational Program Food Aid" was a way of popularization of knowledge about integration of all program stakeholders. Another form of popularization is a website dedicated to FEAD - [www.pomoc2020.org](http://www.pomoc2020.org)
